

Sprint 1 Report

Product: BetterBus

Team Name: BetterBus

Sprint Start Date: 1/22/18

Sprint End Date: 2/4/18

Revision Number: 1

Revision Date: 2/3/18

Actions to stop doing:

- The team should stop having scrum meetings right before class so no one is late.

Actions to start doing:

- The team should start having scrum meetings right after class so everyone will be able attend.
- Schedule more work sessions to keep on track with project process
- Contact metro center to discuss potential implementations for the app

Actions to keep doing:

- The team should keep having group work sessions at least twice a week to get more work done together

Work completed:

- **User Story 1 - 8 Points**
As a user, I want a UI that shows where the loop buses currently are.
 - (Task 1) Understand the vue.js environment and project structure.
- **User Story 2**
[SPIKE 4] Learn Vue.js - 4Hr
- **User Story 3**
[SPIKE 5] Learn Node.js - 4Hr
- **User Story 4**
