Team Name: BetterBus

Sprint Start Date: 02/04/18

Sprint End Date: 02/17/18

Revision Number: 1

Revision Date: 02/17/18

Actions to stop doing:

- Lack of communication on some of the parts of the project, not knowing when something is complete or how long until it is complete.

Actions to start doing:

- Code on our own more now that we have a better understanding of the web technologies that we are using.

Actions to keep doing:

- Scheduling more coding sessions which help with knowing where everyone is, and helping understand the code.
- More people are participating and contributing to the project, making it so everyone's voices are heard.
